## PROFESSIONAL SUMMARY

Quality Management Professional and ISO 9001:2015 Lead Auditor with **17+ years** of international experience delivering Quality Governance, Compliance, Audit Management, and Risk-Based Process Improvement across **mega and giga-scale**, high-profile, multicultural projects in **Oil & Gas, Construction, Infrastructure, Steel Structures, Power, Energy, Aviation, and Manufacturing** industries.

- Known for building **practical, auditable systems** (not paper compliance) that **reduce NCR recurrence, strengthen contractor performance, and increase client confidence**.
- **On-site** Quality Management leadership across **KSA, Russia, Kazakhstan, Europe, Turkey, and Egypt**, as well as **global oversight** of spool manufacturing and steel-structure production for **Worldwide Projects (USA, UK, Oman, Angola, Trinidad & Tobago, Russia, and others)**.

## CORE EXPERTISE

- **Quality Governance & QMS:** ISO 9001 implementation, Quality Manuals, Quality Plans, Procedures, ITPs, PQDs, MATs, MSTs, IAPs, Personnel CVs, Test Reports, Procurement Lists, Process Standardization, Management Reviews
- **Integrated Management Systems:** ISO 9001 / ISO 14001 / ISO 45001 / ISO 27001 alignment; ISO 31000 risk-based thinking – developed, implemented, and maintained Integrated Quality Management Systems
- **Audit Management:** Internal/External/Client/Supplier/Contractor/Consultant/Certification Audits; Surveillance; Audit Plan, Audit Notification, Audit closure & effectiveness verification
- **Risk Management:** RAMS Reviews/Audits, Hazard/Risk controls verification, compliance follow-up
- **KPI & Performance:** Successfully reduced NCRs, increased KPI performance, CAPA systems, RCA, PSP, 8D, 5-Why, Fishbone, Lessons Learned, prevention of recurrence
- **Lean & Continuous Improvement & 6 Sigma:** 5S, Kaizen, TPM, OEE, VSM, KPI Management, CI Deployment & Training
- **Contractor & Supplier Quality:** Requirements cascade, quality submittals, performance monitoring, interface
- **QA/QC & Technical:** Licensed Engineer by the Saudi Council of Engineers (SCE), ASME (B31.1, B31.3, Section II/V/IX), NDT (RT/UT/MT/PT/VT), Coating, Hydrostatic/Cryogenic Testing, GD&T, Calibration Management
- MEP, HVAC, E&I - Logistics, Warehouse, Material Management...
- **Digital Tools:** Aconex, ACC, BIM 360; ERP/MRP/CRM; MS Office (Excel/Word/PowerPoint), AutoCAD, Adobe Prof

## PROFESSIONAL EXPERIENCE

**BECHTEL – NEOM TROJENA Project (Client: NEOM) |** Tabuk, Saudi Arabia

**Quality Manager of TROJENA PI Cluster | Lead Auditor & Trainer of NEOM TROJENA |** May 2023 – Dec 2025

- *Company / Project Context: **NEOM TROJENA is a luxury mountain destination development within NEOM, featuring high-altitude alpine clusters, major infrastructure, and complex multi-contractor delivery interfaces.***
- **QMS:** Quality Management of PI Cluster across multiple contractors and consultants; accountable for end-to-end Quality Planning, Assurance, and Control aligned with NEOM and BECHTEL requirements.
- **Stakeholder & Governance Management:** Act as primary Quality interface between all stakeholders; NEOM, BECHTEL, Contractors, and Consultants; drive audit readiness, Management Reviews, and disciplined governance.

- **Quality Documentation & Submittals:** Manage and review quality submittals including Quality Manuals, procedures, QPs, ITPs, PQDs, MATs, MSTs, IAPs, personnel CVs, test reports, procurement lists, and audit schedules.
- **Audit & Inspection Management:** Plan and execute Internal, External, Surveillance audits; oversee WIR/MIR inspections to verify compliance, workmanship, quality, testing, and documentation completeness.
- **Risk, NCR & CI:** Coach contractors on RAMS controls, NCR/CAPA closure, and continuous improvement; conduct walkdowns and surveillance with Field Engineering and Construction teams to prevent delays and recurrence.
- **HR Function (Quality Personnel):** Managed the end-to-end CV review, interview, and approval process for all contractor Quality personnel within my scope—from Inspectors to Quality Managers—assessing competence and approving mobilization in line with NEOM requirements.
- **Training & Capability Development:** Deliver inductions, QMS awareness, Lean Construction, and technical training; recognized for proactive site presence and contribution to improved contractor PQI performance.

**USTAY Construction Company – Delayed Coker Unit (DCU) Project (Client: GAZPROM) | Moscow, Russia**

**Quality Assurance Management of DCU Project | Lead Auditor & Trainer | Dec 2021 – Mar 2022**

- *Company / Project Context: Refinery process unit delivery (DCU) requiring strict compliance, testing governance, and audit-ready documentation across engineering, procurement and construction activities.*
- Owned QA Management and ISO 9001:2015 QMS implementation for DCU delivery within Moscow Refinery; maintained audit readiness across execution.

**FREELANCE Consulting | Worldwide (Turkey, UK, Ireland, Egypt and others)**

**Senior Consultant – Quality, Lean & Process Improvement | Lead Auditor & Trainer | Feb 2021 – May 2023**

- Advised clients on ISO 9001 implementation, QMS optimization, and Lean improvements; delivered tailored audits, training, and governance models to reduce risk and improve performance.
- Supported certification readiness through gap assessments, audits, CAPA governance, and stakeholder alignment.

**BECHTEL & ENKA Joint Venture (SK) – Chevron Tengiz Expansion (FGP, SGP, Core SS) / 3GP (\$45B) | Tengiz, Kazakhstan**

**Quality Assurance Lead | Internal & External Auditor | Trainer | Jul 2018 – Feb 2021**

- *Company / Project Context: BECHTEL ENKA JV (SK) has delivered projects to Tengiz Oil Field since 1993, including 3GP scope with major mechanical, E&I, Pipe Fabrication, module stacking, installation and hook-up works.*
- Managed QA for multiple Chevron Tengiz expansion projects from SK Corporate Headquarter governance and field oversight; ensured ISO 9001:2015 compliance and alignment with client specifications, contractual obligations, and legal requirements across sites, fabrication yards, and field operations.
- Directed Internal/External/Certification/Client audits (Chevron); **achieved strong Audit outcomes (100% success)** including zero major nonconformities and strengthened QMS maturity.
- **KPIs, NCRs, CAPAs, and LLs; reduced recurring issues** and improved delivery performance through risk-based controls.
- **Recognition & Commendations:** Recognized by Chevron and Certification Auditors for audit readiness, QMS maturity, proactive quality management, and strengthened client confidence.

**BECHTEL & ENKA Joint Venture / Cimtas | Turkey & Egypt**

**Quality Lead | Internal & External Auditor | Trainer | Mar 2012 – Jun 2018**

- *Company / Project Context: ÇİMTAŞ operates large-scale Fabrication and Manufacturing facilities (steel structures, piping spools, modules/skids, pressure vessels) with global shipments to 50+ destinations, serving Oil & Gas, Petrochemical and Industrial Projects; includes Precision Machining for Power and Aerospace Industries.*
- Led QMS and multi-standard compliance (ISO 9001/14001/27001/45001/17065/3834, AD 2000, ASME, EN 1090, EN 13480-4) across manufacturing facilities and major EPC projects in Turkey, Egypt, USA, Russia, Angola, Oman, T&T...

- Managed a 50-person QA/QC team (Dimensional Control, NDT, Paint & Final Shipment Control).
- Conducted & coordinated Customer/Certification/Supplier/Subcontractor Audits and ensured successful outcomes.
- Owned Testing and Inspection Governance – **NDT** (RT/UT/MT/PT), **Coatings** (Pull-off/Press-o-Film/XCut/Salt), Hydrostatic, Cryogenic; implemented QA/QC, Welding, and Design Procedures...
- **Digital Tools:** QDMS, Oracle JDE ERP, SharePoint, ERP, MRP, CRM & **Lean Methodologies:** 5S, Kaizen, OEE, TPM, VSM...

**OERLIKON Balzers** | Bursa, Turkey

**Quality Engineer & Auditor** | May 2011 – Mar 2012

- *Company / Project Context: **Manufacturing plant environment with controlled processes, laboratory testing, calibration systems, and customer-driven quality requirements for surface treatment/coating operations.***
- Maintained ISO 9001 QMS requirements including Audits, QA/QC governance, Customer Relationship Management, Laboratory Management, Tests/Calibration, and Lean Methodologies.

## SELECTED GLOBAL PROJECTS

- **NEOM TROJENA** – Saudi Arabia (BECHTEL)
- **Chevron Tengiz Oil and Gas Expansion (FGP, SGP, Core SS) / 3GP (\$45B)** – Kazakhstan (BECHTEL & ENKA JV)
- **South Helwan Power Plant** – Egypt | **West Nile Delta Gas Processing Terminal (WND)** – Egypt
- LNG / Refinery / Power Projects: **SPLNG** – Louisiana, USA | **CCLNG** – Texas, USA (Cheniere Energy)
- **NAGOR** – Baytown, Texas, USA (ExxonMobil) | **Stonewall** – Virginia, USA (Siemens Energy)
- **Kuntsevo Multifunctional Complex** – Russia | **Hummel Station** – USA (Panda Power Funds)
- **Angola LNG** – Angola (Sonangol/Chevron/BP/Total/Eni) | **Galeota** – Trinidad & Tobago (BP)
- **Muscat Airport** – Oman | **Izmit Bay Crossing Suspension Bridge** – Turkey (ENKA & IHI)
- **Wind Turbine Towers, Pressure Vessels, Spool, Flange, Piping...**

## EDUCATION

Bachelor of Engineering, Mechanical Engineering – Sakarya University, Turkey (2010)

Bachelor of Engineering, Production Engineering – Munster Technological University, Ireland (2009)

## CERTIFICATIONS & LICENSES

- ISO 9001:2015 **Lead Auditor** – TÜV NORD (2022)
- Licensed Engineer – Saudi Council of Engineers (**SCE**) | Six Sigma – PMP – Munster Tech University, Ireland (2009)
- ASME Section IX Welding & Brazing Qualifications – **ASME**, Copenhagen, Denmark (2015)
- ASME Y14.5 – Geometric Dimensioning and Tolerancing (**GD&T**) – Etik Design Consultancy, Ankara, Turkey 2015
- ISO 16949 Training, Kavurmaci Lean & Quality Management 2011
- FICEP Machines Training, Milano, Italy 2013 | REIS Robot Training, REIS Robotics 2013 | CNC Programming, ESAB 2012

## PROFESSIONAL DEVELOPMENT (SELECTED)

- **150+ BECHTEL University trainings and examinations**, including Lean Six Sigma, Quality Champion, ES&H Core Processes, BIM Information Management, Handover Management, Concrete Mix Design and Testing, Engineering Work Processes, Bechtel's Behavioral Framework, Quality Absolutes, and 7 Quality Principles.
- Additional Training: Metallurgy & Materials / Heat Treatment / Failure Analysis / KPI / Problem Solving / Training for Trainers / Coatings (Jotun) / Microsoft Project / Work Study & Ergonomics / Lean / Kaizen / Poka-Yoke etc.

## LANGUAGES

Turkish (Native) | English (Native-level) | Greek, German, Arabic, Russian (Basic)
